If you had a time machine, where in history would you visit?

Move back one space

Move forward one space

If you could go anywhere in the world, where would you go?

Shake hands with everyone

Move back one space

If you could choose to be an animal for the day, which animal would you choose to be and why?

Smile at everyone

Tell the group one thing that makes you scared. Ask someone else what makes them scared. Remember to give eye contact and use their name

Who is your favourite cartoon character and why?

Move back one space

Make an expression and everyone must guess which one it is

What is the hardest thing you have ever done?

Move back one space

Move forward two spaces

Move forward one space

What is the best thing to happen to you this week?

Move forward one space

What is the weirdest thing you have ever eaten?

Move forward two spaces

What is special about your name?

If you were going to a desert island what three things would you take with you?

If you could meet anyone living who would you like to meet and why?

Make an expression and everyone must guess which one it is
