ICEBREAKER QUESTIONS FOR GIRLS AND BOYS

What is the best game you have ever played?

If you could change one thing about yourself, what would it be?

Tell me about a time when you helped someone.

If you could choose one song to listen to right now, what would it be?

If you could be a superhero, what superpower would you have?

Who is the most important person in your life?

What is your most exciting memory?

If you could be an animal for one day, which animal would you choose?

If you had the chance to act in a movie, which movie would you choose and why?

Do you think it is important to have lots of money? Why do you think that?

Would you rather have lots of money or lots of friends? Why?

If you could eat only one food for a whole week, which food would you choose?

If you could be a character from a book, which book would you choose? Why?

Would you prefer to live in the mountains or on the moon? Why?

What is the weirdest thing you have ever eaten?

If you could choose one word to describe yourself, what would it be?

If you were given a pet to look after, what would you name it?

If a genie could give you a wish to change something about your life, what would it be?

What is your earliest memory?

What is your favourite smell and does it remind you of anything?

Tell me one thing about you that I don't know.

Tell me about a time when you stuck up for someone.

What is the loudest noise you have ever heard?

What is the scariest thing that has ever happened to you?

If you fell asleep for a hundred years, what would be different when you woke up?

If you could have any question answered, what would it be?

What is the most disgusting thing you have ever tasted?

If you could change your name, what would you change it to?

If you found £100 what would you do with it?

Are aliens real? Why?
