INSTRUCTIONS TO PLAY

Scary words

Play in pairs

You need a counter each.

Each player to put their counter on the 'start' circle.
Place the word cards face down where indicated on the board.

Each player in turn picks a word card and reads it.
If it is a 'SCARED' word they can move their counter one space upwards towards their pumpkin.

If it is another emotion, they stay where they are.
Cards that are read are put face up on the board where indicated.

The person to reach the pumpkin first is the winner.
In the event that no one reaches the star then shuffle the cards and place face down and play again.
