Instructions

Print out the game board on A3 or A4 depending how big you want it.

Print a base board for each player

You will need a die and 7 counters for each player. One counter will be for the game board and the rest will be for their base boards.

The aim of the game is to collect all the Christmas items on their base board by answering questions or moving their counter as requested.

Can they collect all 8? The person with the most items covered when everyone has reached the end is the winner.
