14 Activities for emotional literacy

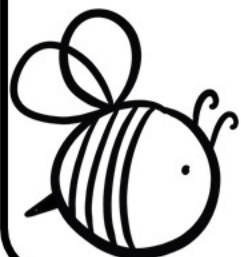

Heart friends
Use for - friendship

Resources
Template (1)
Pencils and coloured pens/pencils
White paper
Coloured card

Children can decorate by using long chains, using a range of resources to use with a variety of materials, such as, glitter, tissue paper etc.

Instructions
It is a lovely activity to do to explore friendship qualities. Two children can work together to cut out the template and decorate. Each child can create one of the characters in a likeness of themselves.
They can then stick their 'hearts' onto a piece of coloured card and in a heart they trust together to cut out the template and decorate.
This could also be done on a one to one basis or the child draws a character and their friend. They can decorate, stick onto a piece of card and then with a friend, stick the hearts onto a piece of card.
The template could be used to make a chain of hearts. Children can use paper and glue the hearts onto the paper. Don't cut the edges where the arrows and legs meet the sides of the paper.

FOLD THE PIECE OF PAPER OR CARD ALONG THE LINE AND CUT OUT EVERYTHING APART FROM WHERE THE ARM AND LEG JOIN.

YOU THEN HAVE HEART FRIENDS. GREAT FOR EACH CHILD TO WORK ON SEPARATELY DURING SOCIAL DISTANCING.

QUALITIES OF FRIENDSHIP COULD BE WRITTEN ON EACH PERSON.
