Story emotion cubes

Use these cubes for pupils to tell a story.

They roll the setting cube to get their setting

Roll the character cube to get their character

Roll the emotion cube to get their emotion

What story could they tell that would create that emotion?

An example

Rooftop

Santa

Sad

Santa could be sad because the chimney is letting out lots of smoke and he can't get down the chimney.

Help your pupils to use their imaginations to create the scenarios to cause the emotion.
