**Imagine you have a magical wishing wand. It is made out of a twig and a leaf. Close your eyes and hold the wand in your hand. Take a deep breath in through your nose and make a special wish in your heart as you breathe out slowly through your mouth. Now, wave the wand in the air and feel the leaves flutter and twirl around you, carrying your wish into the sky. Picture your wish coming true, filling your heart with happiness. Open your eyes and remember the power of your special wishing wand, knowing that your wishes can come true with a sprinkle of Autumn magic.**
