Making your foldable

Print onto A4 Or A3 paper or card. Fold the sides inwards and cut the dotted line. Turn over and you have a foldable where flap can be opened. The child can write on the space underneath and also on the back of the picture.

Thing I want to get better at

Ways to show kindness

Fold inwards along this line

This is the back of the foldable

- When made up the child can colour the image and lift the flap to do their writing.

Cut along the dotted lines
