'Getting to know you'

Roll a question – Use a die and roll your question

1	What does the colour red mean to you?	What is your favourite food?	What is your favourite game?	What would you do if you found a £100?	What is your favourite toy?	What is your favourite book?
---	---------------------------------------	------------------------------	------------------------------	--	-----------------------------	------------------------------

Roll a question – Use a die and roll your question

1	What is the best game that you have ever played?	If you could change one thing about yourself, what would you change?	Tell me about a time when you helped someone.	If you could choose a song to listen to right now, what would you choose?	If you could be a superhero, what power would you want to have?	Who is the most important person in your life?
2	What is your most exciting memory?	If you could be an animal for the day. Which animal would you be?	Do you think it is important to have lots of money? Why?	Would you rather have lots of money or lots of friends? Why?	If you could eat only one food for a whole week. Which food would you choose?	If you could be a character in a book, which character would you be and why?
3	If you had chance to act in a film, which film would you choose and why?	Would you prefer to live in the mountains or the seaside? Why?	What is the weirdest thing you have ever eaten?	If you could choose one word to describe yourself, what would it be?	If you were given a pet to look after, what would it be and what would you name it?	If a genie could change one thing in your life, what would it be?
4	What is the earliest memory that you have?	What is your favourite smell? Does it remind you of anything?	Tell me one thing about you that I don't already know.	Tell me about a time when you stood up for someone.	What is the loudest noise you have ever heard?	What is the scariest thing that has ever happened to you?
5	If you fell asleep for a 100 years, what would be different when you woke up?	If you could have any question answered what would it be?	What is the most disgusting thing that you have ever tasted?	If you could change your name, what would you change it to?	If you met an alien what would you tell it about your life?	What is your best feature?
6	What is the longest word that you know?	What is the most embarrassing thing that has ever happened to you?	Which chocolate bar is most like you?	Which flavour ice cream do you like best?	What would you like to do as a job when you grow up?	If you had a time machine where in time would you go?
